

Bona Parkett Polish

Bona Parkett Polish

Parkett Polish is ready-to-use, waterborne and specifically designed for the maintenance of finished wooden floors in both commercial and domestic areas. It provides increased protection against wear and moisture and gives an attractive sheen to the surface without requiring any buffing.

Key Benefits

- Specifically designed for finished wooden floors
- Suitable for both homes and commercial buildings
- Provides increased protection against wear and moisture
- High resistance to scuff marks
- Does not require any buffing
- Can be buffed with both low-speed and high-speed machines
- Meets DIN 18 032 for slip resistance
